# AIR AND GAS TREATMENT

## IMPORTANT

As manufacturer and specialist for filtration equipment Omega Air offers one of the most comprehensive ranges of alternative filter elements. Filter elements are designed to fit to original manufacturers equipment while Omega Air know-how is implemented to achieve required compressed air quality.

**Despite fact that some dimensions or some details are different compared to original parts our alternative filter elements fit original filter housings.**

**Due to continuous improvement of our products, specifications and appearances may change without prior notice.**

## CUSTOMISED PRODUCTS

A large part of our manufacturing capacity is suited for customized products. We take part in the developing of the products together with our customers. If you have a project in our range of products and need a co-operating partner do not hesitate to contact us

## GENERAL TERMS OF SALES

General conditions:	Exclusively valid "The general sales conditions" of company Omega Air d.o.o. Ljubljana.
Terms of delivery:	Incoterms EXW Ljubljana, Slovenia, packing included.
Terms of payment:	Payment in advance if not otherwise agreed. Currency is EUR.
Warranty:	One year from date of delivery. Warranty valid only if the product is used in accordance with its instruction manual. Other costs such as labour costs are not included.
Changes:	We reserve the right for typing errors and right to change the prices, conditions and technical specifications of the products without previous announcement.
Packing and packing waste:	The customer in the recipient country is responsible for the recycling of packaging and disposal of waste electrical equipment in accordance with local directives.
Right of ownership:	Delivered products remain in our possession until full payment has been settled.

The above mentioned sales terms and conditions are only for information and are published on our website [www.omega-air.si](http://www.omega-air.si). All other details are defined in written agreement between contract parties.
